Briefing Note

Sale and release of 10 Upper Bank Street

In accordance with Clause 17.20(a)(ii)(Substitution, release and addition of new Mortgaged Property) of the Intercompany Loan Agreement, 10 Upper Bank Street (the "Released Property"), which used to be a Mortgaged Property in respect of the securitisation, was released from the securitisation on 20 June 2014.

The Released Property was disposed of for consideration of £795,000,000.00 on that date and the Release Prepayment Amount (as defined below) out of such consideration was used to fund a partial redemption of Class A1 Notes.

On 22 July 2014 (the "Redemption Date"), the Issuer redeemed £577,900,000.00 (being the Release Prepayment Amount for the Released Property) in aggregate principal amount of the Class A1 Notes at a price equal to the Release Prepayment Amount, together with all accrued interest to, but excluding, the Redemption Date (the "Redemption").

As required by Condition 5 (Redemption, Purchase and Cancellation), confirmation was obtained from the Rating Agencies that the ratings assigned by them in respect of the Notes would not be adversely affected by the Redemption.

As a result of the Redemption, the Amortisation Amounts of the Class A1 Notes payable on each Interest Payment Date falling after the Redemption Date up to 22 April 2030 were reduced.

The Issuer is of the opinion that it is entitled to redeem the Class A1 Notes in accordance with Condition 5(b)(iv) and that, accordingly, the amount payable to the holders of the Class A1 Notes pursuant to the Redemption will be the amount stipulated in Condition 5(c)(ii)(A), which will be the Release Prepayment Amount, plus accrued interest.

The Trustee indicated to the Issuer that it is unclear to the Trustee as to whether the Redemption should take place under Condition 5(b)(iv) or Condition 5(c) of the Intercompany Loan Agreement.

If Redemption were to take place under Condition 5(c), then the price at which the Class A1 Notes would be redeemed would be 129.20 per cent., so that an additional amount of £168,746,800 (the "Premium") would be payable to the holders of the Class A1 Notes.

The Issuer made an application to the High Court for a declaration as to whether, on a true construction of the Conditions and other relevant contractual documentation, the Class A1 Notes should be redeemed under Condition 5(b)(iv) or Condition 5(c).

The Issuer's application for a declaration in relation to the Redemption was heard at a hearing in the High Court on 27 and 28 July 2015.

The Court's judgment handed down on 28 January 2016 was that the Redemption was made under Condition 5(c) of the Terms and Conditions of the Notes and that future redemptions carried out pursuant to the same contractual provisions as the Redemption will also be made under Condition 5 (c). Following a further decision by the Judge not to allow an appeal against this decision, the Issuer applied to the Court of Appeal for leave to appeal against the judgement. On 26 July 2016 the Issuer received permission to appeal on the basis that there is a real prospect of success. Procedural steps leading to this hearing will now be taken for the hearing which has been fixed for 13 and 14 June 2017.

Under the judgment, subject to the outcome of any appeal, the Premium plus accrued interest is payable by the Issuer to the holders of the Class A1 Notes.

At the time of redemption of the notes CW Lending II Limited (the "Borrower") agreed, without prejudice to its interpretation of the Conditions (including Condition 5(b)(iv) and the amount payable pursuant to the Redemption), to place on deposit with Deutsche Bank AG, London Branch (in its capacity as an escrow agent,

the "Note Premium Escrow Agent") an amount (the "Note Premium Escrow Amount") equal to the Premium together with interest at the rate of 6.455 per cent. per annum for the period from (and including) the Redemption Date to (but excluding) the next Interest Payment Date. The Note Premium Escrow Agent holds the Note Premium Escrow Amount in an account with itself (the "The Note Premium Escrow Account"). The Note Premium Escrow Agent will release amounts standing to the credit of the Note Premium Escrow Account if and/or when:

(i) a final order is made that the Redemption should be under Condition 5(b)(iv) or the Issuer and the Trustee agree that the redemption of the Class A1 Notes should be under Condition 5(b)(iv), in which case the amount standing to the credit of the Note Premium Escrow Account shall be paid to the Borrower;

(ii) a final order is made that the Redemption should be under Condition 5(c) or the Issuer and the Trustee agree that the redemption of the Class A1 Notes should be under Condition 5(c), in which case an amount equal to the Premium together with accrued interest from (and including) the Redemption Date to (but excluding) the Premium Payment Date (as defined below) will be paid to the Issuer from the Note Premium Escrow Account for payment to the holders of the Class A1 Notes. If the balance of the Note Premium Escrow Account is less than any amount payable to the holders of the Class A1 Notes, the Borrower will pay to the issuer an amount equal to the difference, but if the balance of the Note Premium Escrow Account is more than any amount payable to the holders of the Class A1 Notes, then the surplus amount will be paid to the Borrower; and

(iii) the Issuer and the holders of the Class A1 Notes (acting by an Extraordinary Resolution) agree on an amount payable in relation to the Redemption, in which case the amount agreed to be paid to the holders of the Class A1 Notes will be paid from the Note Premium Escrow Account to the Issuer for payment to the holders of the Class A1 Notes and the remaining balance will be paid to the Borrower.

A final order shall be deemed to have been made when an order, judgement, award, decision or decree which represents a final adjudication by a court of competent jurisdiction has been made as to whether redemption of the Class A1 Notes should be under Condition 5(b)(iv) or 5(c) and the time for appeal from such order, judgement, award, decision or decree has expired without an appeal having been made.

Upon the occurrence of any of the events specified at paragraphs (i) to (iii) (inclusive) above, the Issuer will, as soon as reasonably practicable after the occurrence of such event, give notice to holders of the Class A1 Notes in accordance with Condition 14 (Notice to Noteholders) of the occurrence of such event and, where applicable, of the amount which is payable to the holders of the Class A1 Notes (the "Premium Payment Notice"). If an amount is required to be paid to holders of the Class A1 Notes, as described at paragraphs (ii) or (iii) above, the Issuer shall pay the relevant amount to the holders of the Class A1 Notes on the later of (i) the Redemption Date; and (ii) the date falling 10 Business Days after the date of the Premium Payment Notice (the "Premium Payment Date"), with interest calculated up to, but excluding, the Premium Date (where the latter falls after the Redemption Date).

The release by the Trustee of the Security held by it over the Released Property was made on the condition that the Borrower places the Note Premium Escrow Amount with the Note Premium Escrow Agent on the terms of the Escrow Documents referred to and summarised above.

Capitalised terms not otherwise defined in this section ("Sale and release of 10 Upper Bank Street") have the meanings given to them in the Seventh Restated Master Definitions Agreement entered into between amongst others, the Issuer and the Trustee on 20 June 2014.
