

North Quay Public exhibition

Canary Wharf Group is preparing the second stage of public exhibitions for the North Quay site, part of the Canary Wharf estate.

We would like to invite you to see how the scheme has developed since September and learn more about the project.

Please drop in to view the emerging scheme which has evolved from the first public exhibition in September.

The event will be an opportunity to continue engaging with the design and planning team, share your views and be part of the future of North Quay.
